Project 15-2905, Assignment 9

**WASTEWATER SYSTEM IMPROVEMENTS
BEACH STREET SANITARY SEWER PUMPING STATION
CITY OF MISSISSAUGA**

What are we doing?

- Completing necessary repair and replacement works at the Beach Street sanitary sewer pumping station.

Why?

- To extend the useful life and reliability of the pumping station as part of the Region of Peel's State of Good Repair program.

When?

- We expect to start work June 2021 and the project should be completed by Winter 2022.

Who can you call?

Contact Person	Responsibilities	Telephone Number
Qamar Janjua	Contract Administrator	437-230-6834
Sinclair Garner	Project Manager	416-303-9836

Working Hours

- Our contractor's normal working hours are from 7 a.m. to 7 p.m. These hours are consistent with the local municipality's bylaws. We understand this may cause some inconvenience, but a shorter working day would mean the project would take longer to complete.

Traffic and Parking Control

- We may need to reduce traffic to a single lane during construction.
- If we have to reroute traffic, we will place signs giving directions.

Vibrations

- You may feel slight vibrations from the construction work.

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any concerns or special needs.

How Did We Do?

- After we've finished, we will give you a postage-paid card for you to rate our work.
- Please complete the card and mail it back to us.

Thank you!

Lyle LeDrew
Project Manager, Engineering
Wastewater Collection and Conveyance
Public Works
