

In the Community

Canada Day
Wishing you and your family a Happy Canada Day.

J.J. Plaus Park
Pleased to endorse historical signage.

Message Boards in the Community
Applewood Acres Homeowners Association welcomes the new installation of the community message board in Westacres Park.

Serson Creek
Rehabilitation of Serson Creek.

Arts on the Credit
Pleased to join the Arts on the Credit.

Southside Shuffle
In September 2021, Stephen joined Mayor Bonnie Crombie and former Mayor Hazel McCallion to induct George Stroumbouloupoulos and Noel Cadastre into the Mississauga Music Hall of Fame.

SHORA Community Skate
In March 2022, the Sherway Homeowners and Recreation Association hosted a community skate day. Stephen was proud to help sponsor the event and enjoy some time on the ice.

Motions by Councillor Stephen Dasko

- Motion to support Rail Safety Week in 2021
- Motion to direct staff to provide options to deal with infill sites in our neighbourhoods, including construction hoarding
- Motion to introduce the City's Automated Speed Enforcement (ASE) program
- Motion to make an amendment to the Sign By-Law to allow for feather banner signs for promoting local businesses
- Motion to reduce speeds along Lakeshore Road in designated areas from 50 km to 40 km
- Motion to allow two additional bags of waste to be collected as part of the bi-weekly residential waste collection, without the requirement of purchasing bag tags
- Motion that City Council and Regional Council ask the Province to enact further amendments to the Highway Traffic Act to directly target loud and modified exhaust systems
- Motion to ask that all of the Region of Peel be considered a hotspot during the COVID-19 pandemic
- Motion to suspend the surcharge for funeral homes for weekend and statutory holidays during the COVID-19 pandemic
- Motion to amend the tree permit, removal and replacement fees related to both the City's Private and Public Tree Protection By-laws
- Motion to secure resources for the LDD Aerial Spray in 2022
- Motion to amend the definition of excessive protective elements in the by-law to allow staff to respond to complaints about video surveillance on neighbouring properties

Your Councillor at Work

Stephen is Involved in Community and City Meetings

- Hosts regular Ratepayer Association monthly meetings
- Hosts annual seniors fair at the Mississauga Seniors' Centre
- The only Mississauga City Councillor to host a community meeting on the Ontario Housing Affordability Task Force Report
- Hosts joint Advisory Committee meetings
- Hosts Annual Community Excellence Awards
- Hosts community virtual meetings on a variety of topics, including:
 - Proposed Development Applications
 - Speakers Series
 - Development Infill Issues
 - Proposed Amendments to the Tree By-Law
 - Lakeshore East Corridor Study
 - Lakeshore Transportation Study
 - Credit River Pedestrian and Cycling Bridge
 - Safe City Mississauga - Neighbourhood Watch
 - Park Improvements
 - Peel Regional Police
 - Ontario Housing Task Force

Stephen's Traffic Safety Initiatives

- Installed salmon design for pedestrian walkway on Lakeshore Road
- Installed apple design painting pedestrian walkway on Stanfield Road
- Installed traffic lights at Front Street and Lakeshore Road
- Installed moccasin design for pedestrian walkway on Lakeshore Road
- Traffic calming measures installed throughout the Ward, including:
 - Slow Streets Program
 - Various stop signs
 - Traffic calming lines painted
 - Speed signs along various streets
 - Flexible bollards
- Created a petition to ban modified mufflers to bring to the Minister of Transportation

Stephen Continues to Work on Ward 1 Projects

- Continues advocating to preserve the heritage of the Lakeview Public School
- Continues to work with staff, community businesses and residents on the Port Credit West Marina Development
- Implemented various projects throughout the Ward, including:
 - Fishing line holders
 - Water drinking station for dogs
 - Historical signage along the J.J. Plaus Park pier
 - Naming of Queen Bea's Lookout
 - Chess tables in community parks
 - Disc golf in Dellwood and Spruce Parks
 - Indigenous walking trail along the waterfront
 - Community message boards
 - Classic Car Thursdays event along Lakeshore
 - Pickleball courts in community parks
 - New street signs for the Sherway community

Fundraising and Charitable Support by Stephen

- Contributed financially to have the parking lot at the Small Arms Inspection Building reconstructed and updated
- Contributes financially to support the Walk of Fame at the Southside Shuffle
- Continues to financially support the Paint the Town Red Port Credit Canada Day celebrations
- Helps to raise funds and awareness for the Jim Tovey Lakeview Conservation Area's Morphology Project
- Works with community businesses to have the Sunsets, Sunflowers and Sounds series in Lakeview

Environmental Stewardship

- Successful cleaning of Serson Creek
- Various community parks clean-ups

Keeping Ward 1 Connected

Hazel McCallion Line LRT

This transit project continues to be on schedule to bring 18 kilometres of rapid transit to Mississauga and Brampton along the Hurontario corridor. Learn more at metrolinx.com/HurontarioLRT

Rehabilitation of Dixie Road and CNR Structure Project

Alectra will relocate the existing aerial wires into new underground ducts, under the west side of the roadway. This is tentatively scheduled for completion by fall 2022.

New Crosswalk Designs

New crosswalk at Lakeshore Road and Lakefront Promenade with moccasin identifiers.

Welcome Signs on Bridge Underpasses

With the help of the Transportation and Works Department, Stephen had welcome signs painted on the underpasses on Hurontario Street, Cawthra Road and Dixie Road.

Stephen Dasko

Councillor Ward 1
Our Community is Our Home

Dear Ward 1 Residents

Every day I am proud and honoured to continue working on your behalf by addressing matters affecting Ward 1 both at the City of Mississauga and at the Region of Peel.

Issues regarding development, for example, have been demanding on our community. I have always advocated for responsible development, which is to abide by our Official Plan and our respective Local Area Plans. Applications of all kinds are allowed to be filed under the Provincial Planning Act which the City is mandated to follow. Once received, there is a process the Planning and Building Department follows. It is not mandated to have a community meeting. However, it is my standard to ensure proper input and that the community is part of the process.

As you may be aware, as your Ward Councillor, I called for a review of the Lakeshore East Corridor Study. In support of that review, I organized a number of public consultation sessions to facilitate extensive community and stakeholder input.

Another key issue is the future of the Port in Port Credit. Several months ago, I established a community Task Force to review the lease arrangements of the Port Credit Harbour Marina on the Canada Lands Property. In addition, the Task Force is looking at future initiatives required to save the Port. We recently held public consultations regarding the environmental assessment process.

Through a number of difficult obstacles, I have been successful in keeping the Port Credit Library in its original home. Major infrastructure adjustments will be undertaken in due course to stabilize and ensure its place in our community for many more years to come. It has always been my ambition to embrace, enhance and maximize the utilization of our incredible outdoor spaces throughout the community. This past year, I was pleased to bring the first disc golf courses to the City of Mississauga in Ward 1 at Dellwood Park and Spruce Park. "Classic Car Thursdays" on the Lakeshore, which

I organized in collaboration with the Port Credit BIA, was a great success and enjoyed by the community. Sponsoring community events and raising awareness and funds for the Compass Food Bank have had positive benefits for Ward 1 residents. The "Welcome" signs on the bridges in the ward were also done at my request to identify the uniqueness of our communities.

My number one goal and objective has always been that public engagement is a crucial and essential component of any City initiative. In Ward 1, we have had more public consultations on a variety of issues and concerns than any other Ward. This will continue to be my method of representation. This method of operation requires a constant stream of communication. I keep the community up to date by sending out regular newsletters to residents, monthly e-Newsletters, constant updates on social media such as Facebook, Twitter and Instagram, weekly Ward 1 video updates, monthly briefings with the Ward's Ratepayer Presidents and a monthly guest appearance on Sauga 960AM radio, "The Norm with Norm Murray". My website contains thorough and up-to-date information for residents to view on a regular basis including the videos of our Speakers Series. All these efforts complement my dedication to public engagement, consultation and service.

As always, my efforts to continue to work collaboratively with you to make "our community our home" is my number one priority!

The Ward 1 Office team is Angie Dell, Executive Assistant and Jessica Figueiredo, Administrative Assistant. We are pleased to be working on your behalf and look forward to continuing to serve your needs.

Kind regards,
Stephen Dasko, Ward 1 Councillor

Pedestrian and Cycling Bridge

I have been a strong advocate for having a pedestrian and cycling bridge over the Credit River. This bridge will enhance mobility across the river for people walking, rolling and cycling. Over the past year, the City and I have hosted a number of community virtual meetings on the Pedestrian and Cycling Bridge.

Events in Ward 1

COVID-19 Pop-Up Vaccine Clinic

In collaboration with Trillium Health Partners and business leader John McKenna, Stephen was delighted to host a COVID-19 Pop-Up Vaccine Clinic at the Small Arms Inspection Building in February 2022.

Classic Car Thursdays

Worked with the Port Credit BIA to bring a COVID-19-friendly innovative community event to draw local residents down to Lakeshore Road.

Coyote Awareness in Mississauga

Coyotes are common in our communities and according to the Ministry of Natural Resources and Forestry, this is because people feed them deliberately or unintentionally.

If you see an aggressive, sick or injured coyote, call 905-896-5858. Residents can continue to report coyote sightings at mississauga.ca/coyotemap

Residential rat control subsidy program still available

The pilot program will now be available until November 30, 2022, and will reimburse eligible homeowners for 50% of the cost of hiring a Region of Peel-approved pest control vendor, up to a maximum of \$200 per calendar year, per residential Peel address.

Learn more: peelregion.ca/rat-subsidy-program

Morphology and the Jim Tovey Lakeview Conservation Area

Morphology is an evolving photography exhibit documenting the construction of the 26-hectare Jim Tovey Lakeview Conservation Area on the beautiful Lake Ontario shoreline.

Community Clean-Ups

As a member of the Environmental Action Committee, Stephen hosted various community clean-ups to remove garbage and debris from our parks.

Queen Bea Lookout

The Port Credit Lighthouse Landing is dedicated to the memory of Beatrice Moreira-Laidlow, former General Manager of the Port Credit Business Improvement Area.

Sunsets, Sunflowers and Sounds

Stephen helped to bring a free music series celebrating some of Mississauga's most iconic musicians live from Lakeview Village Sunflower Deck.

Staying Safe in our Community

Slow Down Signs

As a member of the Road Safety Committee, I worked to have a new "slow down sign" designed. If you would like a sign for your front lawn, please contact me at Stephen.Dasko@mississauga.ca or 905-896-5100.

Working with the Transportation and Works Department, I have asked that all residential communities have the speed limit reduced from 50 km/h to 40 km/h, in addition to lowering the speed limit in community safety zones to 30 km/h.

Applewood Community

Welcome to the Applewood community.

Traffic Infrastructure

New lights at Front Street and Lakeshore Road for public safety.

ROADWATCH by Peel Regional Police

In April 2022, I was pleased to host a community virtual meeting with Peel Regional Police to address resident concerns. Learn more at peelpolice.ca

Petition to Ban Modified Mufflers

Speeding and excessive vehicle noise is a chronic issue that I have been working on since I took office. As part of the ongoing Noise Control By-law Review, Council approved amendments to the Noise Control By-law in 2020 to address noise associated with street racing and/or modifications to motor vehicles. I feel strongly that the provincial legislation must be updated to prohibit the sale of modified muffler systems that exceed a sound level of 80 - 85 decibels, along with increased fines under the Highway Traffic Act. At both City and Regional Council meetings, I have put forward a motion that Council ask the Government of Ontario to enact further amendments to the Highway Traffic Act to directly target loud and modified exhaust systems. I encourage you to visit my website and sign my petition.

Programs for Seniors

Residents 55+ can enjoy interactive virtual programs by visiting mississauga.ca/recreation-and-sports/stay-home-stay-active

Need help at home? Canada HomeShare is a housing program that brings older adults and

post-secondary students together. The program is managed by the National Initiative for the Care of the Elderly. For more information, please visit canadahomeshare.com/locations/regionofpeel

Safe City Mississauga

As a board member of Safe City Mississauga, Stephen has hosted a number of virtual meetings to bring residents together with Safe City Mississauga.

Traffic Calming Measures

New traffic calming measures in Indian Heights.

Bike Infrastructure

New bike repair stations in Ward 1.

Community Updates

Carmen Corbasson Community Centre Renovation

The City is renovating and building a new addition to the Carmen Corbasson Community Centre to meet the needs of the community. The centre will be closed from June 2022 until fall 2024. Learn more at mississauga.ca/corbassonredevelop

Updates to Mississauga's Tree Protection By-Laws

City Council approved my motion to update Public and Private Tree By-laws that took effect on April 1, 2022. I have been a major proponent of these changes that will ensure the City's tree by-laws meet current urban forestry standards and help protect Mississauga's tree canopy. Learn more at yoursay.mississauga.ca/tree-protection

New Landmark is Coming to Ward 1

A new landmark is coming to the shores of Mississauga. I am proud to announce that Lakefront Promenade Park will be home to a new 80-foot (25-metre) Canadian flag. It will be the tallest in the City of Mississauga and will adorn our waterfront.

Park Improvements

We are very fortunate to have over 50 parks/parkettes in the Ward. As these parks are needed more than ever, I am using the Canada Community Building Fund to focus on bringing value to our parks. You will be seeing new and improved parks, including the addition of chess tables, tennis courts, pickleball courts and splash pads throughout the Ward.

Port Credit Library Update

The Port Credit Library is currently closed due to structural issues. In September 2021, a full service pop-up library was introduced at the Port Credit Memorial Arena. The library is expected to reopen in late 2023 or early 2024.

Around our Parks

Disc Golf Comes to Ward 1

Stephen was very excited to announce the initiative to have disc golf come to Ward 1 at Dellwood and Spruce Parks. They are a first for the City of Mississauga!

Middle Road Bridge Rehab

The Middle Road Bridge project recently underwent major rehabilitation.

Brueckner Rhododendron

Decorative guardrail wrap at Brueckner Rhododendron Gardens in Cranberry Cove.

Indigenous Arts Walk

Stephen was very proud to work with the community, local Indigenous artists and the Mississaugas of the Credit First Nation on the Indigenous Arts Walk.

Port Credit Harbour West Marina Update

The City of Mississauga is transforming the west bank of the Port Credit Harbour. The project will be divided into different phases based on various factors.
