

Temporary Road Closure of Eaglewood Boulevard at Hurontario Street

8 a.m. on Monday, June 21 to 5 p.m. on Friday, June 25

What work is taking place?

As part of Hurontario Light Rail Transit Project, watermain and sewer infrastructure installation works will be starting on the east side of Hurontario Street at High Street, moving north to Queen Elizabeth Way (QEW). The intersection at Eaglewood Boulevard and Hurontario Street will be closed from 8 a.m. on June 21 to 5 p.m. on June 25 to safely complete watermain installations. We will continue to communicate dates for future closures as details are finalized.

Road closure and detour signs will be posted to keep residents and businesses informed of this closure. Residential driveways will not be impacted during this work. Side entrances for the plaza and gas station that face Eaglewood Boulevard will be closed during this work, pedestrian access will remain open.

TIMING

- Eaglewood Boulevard closure will last from 8 a.m. on Monday, June 21 to 5 p.m. on June 25, 2021. Work hours are from 6 a.m. and 10 p.m. However, night works may be scheduled as required.
- Work could be rescheduled and delayed due to weather conditions or unforeseen circumstances.

TRAFFIC DETAILS

- Traffic detour signs will be posted in the area during the road closure.
- Watch for slow moving vehicles entering and exiting work areas.
- Remember to reduce your speed when approaching construction.

WHAT TO EXPECT?

- Every effort will be made to minimize disruptions.
- Access to properties will always be maintained through at least one driveway or with the assistance of a Traffic Control Person.
- Residents and businesses near the work site can expect to hear noise caused by trucks, excavators, backhoes, and other construction equipment related to this work.

TRANSIT DETAILS

- Due to lane reductions along Hurontario Street, delays can be expected on MiWay routes 2, 8 and 53.
- Watch for additional signs directing passengers at bus stops as boarding areas may be relocated.

PEDESTRIAN DETAILS

- Please take care when walking or cycling near construction areas and watch for additional signs directing the public such as detours and dismounting.
- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

NOISE BYLAW EXEMPTION

- In 2017, Mississauga City Council approved general exemptions to the Noise Control By-law and selected roadway closures, at the discretion of the Commissioner of Transportation and Works for the duration of Hurontario LRT construction.
- Generally, the exemptions can allow for major construction works to take place from 7 a.m. to 11 p.m. seven days per week, and minor activities that generate minimal noise to take place 24 hours per day, seven days per week.
- Every effort will be made to minimize disruptions.

CONTACT US

- We recognize that we are building transit in a residential area, and that you may have questions or need to get in touch as work progresses. Metrolinx has a dedicated community relations team in place to work with residents in Peel region through the construction and operation of this transformational transit project.
- 24 Hour line 416-202-7500.
