In light of changes that are occurring to housing in your neighbourhood, the City of Mississauga is reviewing the zoning regulations that would apply to your property (see attached map). The implications of potential changes that could affect your property include, but are not limited to:

1. Permissions for type of housing (e.g. detached dwelling, semi-detached dwelling, townhouse dwelling, etc.)
2. Minimum lot size and frontage
3. Required setbacks for buildings and structures
4. Maximum height of dwelling

The purpose of the community meeting will be for staff to present potential options for revised zoning regulations for your property. You are welcome to provide feedback on these potential changes, and ask any questions of staff.

Should you have any questions prior to the scheduled meeting, please contact Jordan Lee, Planner at 905-615-3200 ext. 5732, or by email at jordan.lee@mississauga.ca

We hope to see you there.

Sincerely,

Stephen Dasko
