**Re: MTO 2018-2001 – Notice to Stakeholders – Closure Notification of South Service Road On-Ramp to QEW EB**

To whom it may concern,

My name is Michael Campaner and I am a Project Coordinator for Toronto Zenith Contracting Ltd. working under capital contract for the Ministry of Transportation (MTO) on MTO Contract 2018-2001 along the QEW corridor between The East Mall and Dixie Road.

In accordance with MTO Contract 2018-2001, Toronto Zenith Contracting Ltd. is required to implement a long-term temporary closure of the South Service Road on-ramp to QEW Eastbound for the highway work.

Toronto Zenith will be implementing the closure in accordance with the diagram below beginning on Monday, June 28<sup>th</sup>, 2021 at 5:30AM and will be re-opening the on-ramp on May 17<sup>th</sup>, 2022. A Detour Route (D-11 Route depicted on second page) will be in place for this closure to redirect traffic accordingly. There will be signage enhancements to mitigate infiltration of detour traffic through the Orchard Heights residential neighbourhood.
