The Planning and Building Department has received a revised submission (1st resubmission) pertaining to the above-noted development application via ePlans under file # SPA-61118 which can be accessed from <https://eplans.mississauga.ca>. Please view the material in ePlans but continue to enter outstanding comments/requirements into E-City/MAX under OZ 20/009. Comments will be due twenty (20) working days from today on **May 3, 2021**.

Should you not be able to complete your review and comments within the specified time frame, we require that an email be sent to the Development Application Coordinator or Planner handling the file, prior to the specified deadline. The email should provide a reason for the delay and state the date when the comments will be received.

Should you not respond within the specified time frame or fail to contact the Development Application Coordinator or Planner by email, we will assume that you have no comments or concerns and will continue to process the applications without the benefit of your input.

If you have any questions, please contact the undersigned at 905-615-3200 ext. 5516 or Paul Stewart, Planner at 905-615-3200 ext. 5813.

Sincerely,
