

Construction Notice:

Parking changes starting **August 4**

Parking Changes

- Starting Tuesday, August 4, we're starting construction at your station.
- 15 parking spaces on the southwest parking lot by Stavebank Road will be unavailable. We need this space to store construction materials.
- Please park at available spots elsewhere at the station.

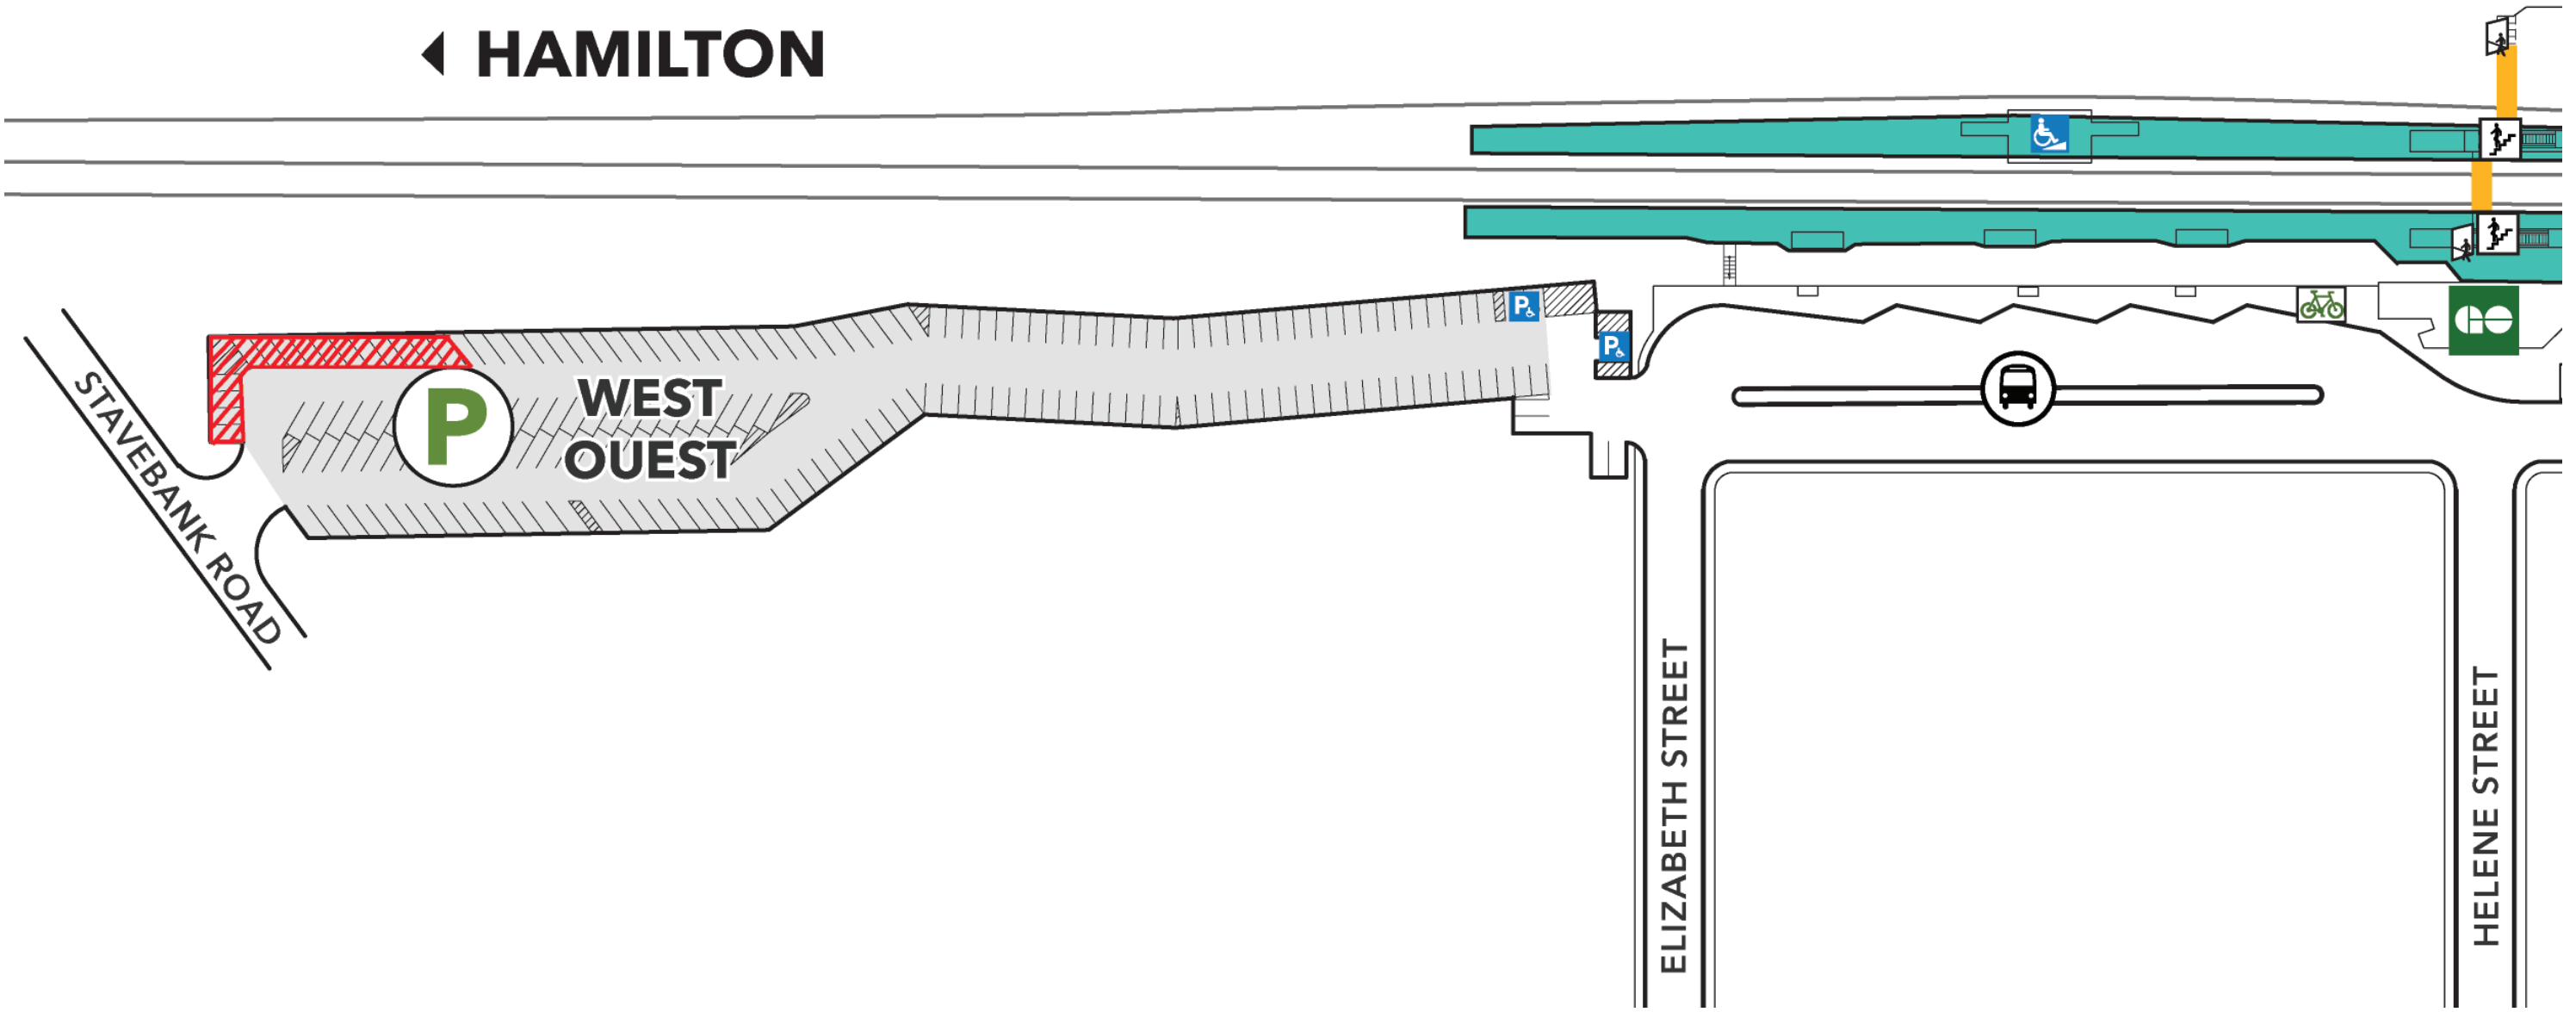

Station Improvements

- We're enhancing accessibility and safety features at your station as part of GO Expansion.
- We're going to improve your station by adding tactile yellow tiles at the edge of the train platforms to remind you how far back to stand; upgrading elevators on the island and south platform; and adding/upgrading accessible ramps that lead to the south platform.
