Project 16-2905, Assignment 7

**PRE-DESIGN FIELD INVESTIGATION  
LAKESHORE ROAD EAST, LAKESIDE AVENUE AND AVIATION ROAD**

**What are we doing?**

- Performing field investigation services along Lakeshore Road East, Aviation Road, Lakeside Avenue, Hampton Crescent and at the Cooksville Creek near the Beechwood Pumping Station (see sketch).
- Work involves utility stakeouts, boreholes, surveying and photographing assets in the project area as well as test pits to confirm utility locations.

**Why?**

- To determine soil conditions and verify the location of existing underground and above ground utilities for design and construction of future Regional infrastructure.

**When?**

- We expect to start work on or about March 2021.
- Investigation work should be completed by December 31, 2021.

**What to Expect**

- Minor traffic disruptions.
- Working hours are Monday to Friday from 7am to 7pm.
- There may be occasional Saturday work from 9:00 a.m. to 5:00 p.m.

**Project Updates**

- The Region encourages you to notify the Region of Peel Project Manager if you have special requirements, or if you have any comments or concerns.

Thank you,

Lyle LeDrew  
Project Manager
